

Managing Occupancy: A Companion Guide to HUD'S Occupancy Handbook

This book is intended as a companion to HUD's 4350.3 Rev-1 Occupancy Handbook. Written in a question-and-answer format, it provides easy access to handbook information and includes expert opinion, interpretation and guidance for affordable housing practitioners. Contains 500 pages in 36 chapters in a three-ring binder format that enables insertion of periodic updates; two free updates included with initial purchase.
