

SISSON OWNBY RISING STAR AWARD

NOMINATION DEADLINE: FRIDAY, JUNE 14, 2019

Southeastern Affordable Housing Management Association (SAHMA) introduces the Sisson/Ownby Rising Star Award in honor of two of SAHMA's founding members, the late Ed Sisson and SAHMA Past-President Patty Ownby. Ed Sisson helped set the standards for superior performance in the management of affordable housing and was the epitome of using education and training as a means to advance to the ranks of a property management executive. Similarly, Patty Ownby has worked tirelessly in our industry and was instrumental in the creation of national education and certification programs; she rose to become a leader in our industry and our organization.

Both were recognized early on in their careers as rising leaders and they exemplified the same commitment and dedication to affordable housing management. Their outstanding work in providing and improving the quality of affordable housing in the Southeast is legendary.

NOW, we are searching to find and recognize new emerging leaders in our industry who follow in the footsteps of Mr. Sisson and Ms. Ownby.

Do you have someone in your organization or know of someone in our industry who is uniquely gifted and inspiring? Is working their way up the professional ladder one rung at a time? With this award we'd like to recognize a deserving member of our affordable housing community and award them a \$1,000 tuition honorarium so they can continue up the ladder and fulfill their professional goals.
